

Custom Intake Plumbing

Snow Performance
5411 Seymour Highway
Wichita Falls, Texas
Phone: 940-767-7694
sales@snowperformance.net
www.snowperformance.net

Intakes, supercharger lids, and accessories should be sent freight prepaid to the address above along with this form. Snow Performance will do its best to install all custom plumbing with maximum clearance for any accessories (fuel rails, injectors, fuel lines, throttle linkage, distributor, etc.), however no clearance guarantee can be offered for any accessories not provided at the time of plumbing. To guarantee adequate clearances, all accessories must be furnished when your manifold is shipped to Snow Performance. No exceptions.

Direct Port Water Methanol Systems

Includes drilling and tapping the intake runners, installing nozzles, fittings, distribution blocks, bending hard lines, installing check valve's, and leak checking the system.

8 Cylinder - \$400

6 Cylinder - \$350

4 Cylinder - \$300

Welding nozzle bungs on intakes - \$200 per 8 bungs

A Snow Performance employee will call / email you directly upon receipt of your manifold / supercharger lid to discuss the install and requested location for water methanol nozzle mounting.
